Mirka® DEOS II

The new Mirka® DEOS II features a list of improvements to make sanding even easier than before. As well as ergonomics and ease of use, the hallmark of the Mirka DEOS range is compatibility with dust-free sanding. Connect your DEOS II to Mirka's Dust extractor and use dust-free abrasives for a healthier and safer working environment.

Mirka DEOS II is available as four different versions for different sanding applications.

Features:

- Up to 20 % more powerful brushless motor and an integrated vibration sensor
- LED indication on RPM speed selector
- Bluetooth features (connect to myMirka for monitoring vibration)
