- Conform to the provisions of Council **EU regulation 2016-425 PPE Module D** under the supervision of the Notified Body, SATRA Technology Europe Ltd, Bracetown Business Park, Clonee, Co. Meath, D15 YN2P, Ireland (Notified Body No. 2777).
- Conform to EN 455 part 1, 2, 3 and 4
- Confirm ASTM D6978: Grippaz gloves have been tested against a fentanyl citrate injection (100 mcg/2mL) solution and after 4 hours of exposure there was no breakthrough or permeation.

EN 1186

The gloves meet the requirements of **EC Regulation 1935/2004** on materials and articles intended to come into contact with food. Specifically, the products have been tested and meet the requirements of Article 3 1935/2004. Under Article 5, testing is carried out in accordance with **EN1186** and **EC Regulation 10/2011** and the **French Decree of August 5th, 2020**. They are suitable for use with all food categories in situations where there is short-term, repeat contact. The gloves are formulated and processed to conform with **ASTM 4679-02** and **21CFR177.2600** and comply with FDA regulations for food contact.

User Information

Store in cool dry conditions in the original packaging away from dust, humidity, and direct sunlight.
